↔ CEO message

How are you??

Modern Intech Co., Ltd. founded in November 1989, have been produced, supplied and installed all kinds of curtains as well as supplied of upholstery fabric, leather, mattress, sofa & chair, carpet, and vinyl/rubber flooring over the world for marine.

Rest of all, we have accquired ISO 9001-2000 version certificate for the first time in the same kind of industry and developed flame retardant textile that meets the requirement of specification and international rule requirement of IMO, SOLAS. At the same time we have obtained MFD 'R' and 'D' ICE MARK from DNV class after testing by foreign authorization institutions.

In addition, we have successfully carried out a lot of project such as RO-PAX and off-shore project with plenty of experience and excellent technology until now.

Modern Intech Co., Ltd. will become leader to aim at people-oriented and environment friendly for future business and make a effort to be recognized as the best company by offering high quality and competitive price.

CEO Inhwan Choi

MODERN INTECH CO., LTD.
